

**BROWNSTONE AGENCY**  
**LEAD PAINT TESTING REQUEST FORM**

In order to be *considered* to have the lead exclusion removed from your Brownstone Agency policy, you will need to have lead testing performed on your premises by an approved licensed lead inspector. The following is pertinent information on lead paint testing for insurance purposes:

- The testing process will be performed in accordance with Brownstone Agency’s underwriting criteria.
- Results are analyzed by a certified and licensed lab and generally returned to you (and the Brownstone Agency) within 48 hours.
- The amount of units to be tested at each property is based upon occupancy type, number of units/floors and any pending lead paint violations.
- All units with children residing under the age of 10 years must be tested.

To obtain samples we will need information about your property. Additionally, we will need to set up an appointment in order to gain access to some units. Please provide the necessary building and contact information below. A completed form can be sent to us via email or fax:
